

NONDISCRIMINATION/EQUAL OPPORTUNITY

Code **AC** Revised **11/12**

Purpose: To establish the basic structure for conduct of district programs in compliance with applicable laws.

The district is required by federal and state laws, executive orders, rules and regulations not to illegally discriminate on the basis of race, religion, color, disability, sex, age, alienage, national origin, marital status, family sex-orientation, immigrant status or English-speaking status. The district, therefore, commits itself to nondiscrimination in all its education and employment activities.

Further the board affirms the right of all students and staff to be treated with respect, to have due process and to be protected from intimidation, discrimination, physical harm and/or harassment.

Harassment/discriminatory behavior that denies civil rights or access to equal educational opportunities includes comments, name-calling, physical conduct, or other expressive behavior directed at an individual or group that intentionally demeans the race, color, religion, national origin, marital status, immigration status, English-speaking status, sex orientation, sex or disability of the individual or individuals or creates an intimidating, hostile or demeaning environment for education.
